

Senator Carper Visits D.S.F.S.

On June 5th Senator Tom Carper along with staff members paid a visit to the Delaware State Fire School.

Senator Carper was interested in taking a look at how Federal Grant Monies are being utilized in Emergency Services.

Staff members of the Fire School demonstrated its new Teleconferencing Equipment to show how it could be used during a large scale emergency. He was able to view a Fire Safety School Tour that was taking place in the Sussex Facility. Director Mike Kernan gave the Senator a tour of the Chestnut Grove Incident Command Area.

A highlight was Training Administrator Jerry Brennan demonstrating the new Virtual Reality Training Trailer to the Senator and his Staff Assistant Brian Bushweiler. Senator Carper and Bushweiler donned masks and experienced the simulation first hand.
